26 MARCH 2014 - TERM 1 WEEK 9

## PRINCIPAL'S REPORT

Last week demonstrated what a caring and supportive community we are all a part of. Harmony Day was celebrated with many children and staff dressed up in a plethora of traditional dresses. The school community managed to raise over \$500 for Anitha our sponsor child. A special thanks to all those parents and teachers who contributed goods for the cake stall particularly those in 2/3W, 3AC and 3/4A.

The school disco held last Thursday was also very well supported. All the students had a great time reliving the 80's. There were also many parents who dressed up and got out on to the dance floor. A reliable source has told me that there's talk of an adults 80's night. It must have been all those wonderful flashbacks parents were having or just the sound of 'funky town'. If you would be interested in attending a parents' night contact one on the members of the P&C or myself. I would like to extend a special thanks to the tireless workers of the school P&C who organised the disco and the sausage sizzle, and thanks also to the teachers who attended. The disco and barbeque raised nearly \$1400 which is a disco record.

## SCHOOL CROSS COUNTRY-ATHON

Our Cross Country has been postponed until Monday 7 April and will be held at the school.

I have been sourcing prizes and vouchers from the local businesses houses. In just one hour last week I received well over \$350 worth of prizes with plenty more to come. These will be used as prizes in our Cross Country-a-thon raffle draw. The student who raises the greatest amount will receive a \$200 open order at Kmart and the runner-up will receive a \$100 open order. Each student will receive a raffle ticket in the prize draw for every \$10 raised ie raise \$30 and receive three raffle tickets. Thank you to all those who have donated prizes and to all the students who are gaining sponsorship.

## SCHOOL MAGAZINE

The next issue of the School Magazine has just arrived. These are packed with great stories and interesting information from around the world. The subscription is just \$9 for the year which means each magazine is less than 90 cents. We ask for this payment in addition to the school contribution. If you have not already paid either the school contribution or the magazine levy we would greatly appreciate your payment before the end of Term One.

## SPORT REPORT by Alex Pyke

Yesterday fifteen school soccer representatives went off to the North Coast Soccer Trials and one player, Zac Paunovic made it as goal-keeper. This Friday lots of boys are going to the North Coast Rugby League Trials and next Friday a handful of boys are going to North Coast AFL Trials. On Tuesday a few girls are going to District Netball Trials - good luck!
